Tear-Off Tattoo Sheet

Details: Tear-Off Tattoo Sheets include a right-reading header image with a perforation line, which can be removed prior to tattoo application. Temporary tattoos are printed in reverse (to display correctly on skin), so this additional imprint area prominently displays company branding even before actual product use. The removable portion of our medium-sized sheet is designed to fit perfectly in a wallet and has plenty of space for contact information or a coupon. With room for 4 separate designs, these perforated tattoos are easy to use: just tear, share and wear!

Colour: Full Colour

Approx. Turnaround Time: 4 Weeks (Need it faster? Avoid disaster with Sigma Snap Service eligible products)
